

SCRUTINY COMMITTEE PROTOCOL

A 'local government matter' is defined as a matter which relates to the discharge of any function of the authority, affects all or part of the electoral area for which the Member is elected or any person who lives or works in that area and is not an 'excluded matter'

Introduction This Protocol recognises the division of executive and non-executive roles and responsibilities, the scrutiny role performed by non-executive Councillors and the part played by all Councillors in representing local communities.

Terms of Reference To contribute to improving Council services by holding decision makers to account which ultimately benefits residents of the Borough of Dartford.

Guidelines (a) Terms of Reference agreed by the General Assembly of the Council (the GAC);
(b) Standing Orders and Financial Regulations;
(c) Codes of Conduct;
(d) Secretary of State guidance issued from time to time.

Committee accountability To the Council as the ultimate decision making body from which all of the other elements in the decision-making process derive their authority.

Elected Member accountability Individual elected Members have a collective responsibility for the Council's functions. This collective responsibility extends to a duty to ensure that the Council complies with the law and does not knowingly act unlawfully.

Compliance principles The Committee will:

- Scrutinise and monitor the performance of the Cabinet, Officers and partner authorities in implementing decisions in line with the Council's Strategic and Policy Framework;
- Recognise the legitimate right of the Cabinet to provide political and operational leadership to the Council and will not attempt to usurp the power vested in the Cabinet by the GAC;
- Recognise that Officers continue to owe a duty to all Members of the Council;
- Guarantee the right of Officers to express their advice on matters within their areas of responsibility, particularly (but not exclusively) on technical professional issues. Officers must not be pressurised to change their advice to suit political aspirations. Questions to Officers must be within Officers' remit and will as far as possible be confined to questions of fact and explanation relating to policies and decisions within Officers' remit;
- Will not criticise or adversely comment on any individual Officer by name;
- Not attempt to thwart the Cabinet by engaging in vexatious or unnecessarily repetitive overview and scrutiny activities.

Membership

Committee membership cannot include any Cabinet member.

The Scrutiny Process

To perform the scrutiny functions on behalf of the Council within the guidelines detailed in the Committee's Terms of Reference and this Protocol and specifically, the following overarching principles:

The scrutiny of any matter:

- (a) relating to the provision of and/or delivery of Council services to the local community;
- (b) in which the Council has an interest, subject to the Council being in a position to reasonably influence the outcome for the benefit of the local community;
- (c) which has an adverse impact on the delivery of Council services.

1. What may be scrutinised

- 1.1** decisions made and/or actions taken in connection with the discharge of any of the Council's and/or Cabinet's functions;
- 1.2** performance of the Cabinet, Officers, Committees, Boards and Panels whether generally or in relation to service plans and targets, or in relation to particular decisions, initiatives or projects;

NB: scrutiny will not focus on day to day management and operational decisions, which are the proper concerns of Council managers and Officers.
- 1.3** performance of the Council in relation to policy and budgetary objectives, performance targets and/or particular service areas;
- 1.4** the planning, provision, operation and performance of public bodies/organisations including local health services, subject to the Council being in a position to reasonably influence the outcome for the benefit of the local community;
- 1.5** Councillor Calls for Action (CCfAs);
- 1.6** local improvement targets.

A.Draw downs

Draw downs for the purposes of scrutinising decisions/actions of the Council, Cabinet etc. and/or the scrutiny/of the effects/outcomes of a decision post implementation

A.1

For each meeting of the Committee:

- through the Shadow Chairman of the Committee, up to two items in total for the Political Group on the Council forming the administration on the Council;
- through the Chairman of the Committee, up to two items in total for the Political Group on the Council forming the largest party in opposition on the Council;
- through the Chairman of the Committee, one item only for any other Political Groups on the Council, dealt with on a 'first come first served basis'.

A.2

Subject to section A.6 of this Protocol, each Committee meeting may draw down for scrutiny purposes, no more than five items in total. These five items may comprise a combination of items relating respectively, to a Call-in, CCfA, the scrutiny of decision(s)/actions of the Cabinet/Officers, local improvement targets, local health service body etc. Whatever combination is applied, the Committee is restricted to the scrutiny of five items in total, per Committee meeting.

A.3

A.4

Where the Committee wish to scrutinise an item for the purposes of examining the effect and outcomes of a decision/action etc. post implementation, drawing down the item may need to be delayed to a future date.

NB: The focus of the scrutiny in such circumstances will be concerned with the effects and outcomes of the decision whether or not reference was made to effects or outcomes (potential or perceived) in any background document before the Committee.

A.5 When more than one Political Group on the Council notifies a draw down of the same item, the Political Group which first gave notice in accordance with section A.1 of this Protocol, will lead at the meeting, on the discussion of the item and the Chairman will exercise his/her discretion about the right of the Political Groups to sum up.

A.6 Although Scrutiny Committee and the Policy Overview Committee have different roles and responsibilities, the remit of the Committees may on occasions overlap. Whilst draw downs and work programmes will need to have flexibility and their own broader topics and focus, the Scrutiny Committee will avoid any duplication in work programme activities and draw downs.

A.7 The Managing Director, in consultation with the Strategic Director (External Services), will make the final decision on the rejection of a draw down, with reasons recorded in writing. In the absence of either the Managing Director or Strategic Director (External Services), the Strategic Director (Internal Services) will be consulted by the other.

- B.8** The scrutiny of an item may need to be deferred pending the receipt of information, particularly where requests for additional information are made or where the information requested is voluminous and/or where there are costs implications associated with providing the information. In these circumstances, Member Services will advise the Committee Chairman accordingly.
- B.9** To facilitate the scrutiny process, a partner authority (as defined in Chapter 1 of Part 5 of the Local Government and Public Involvement in Health Act 2007 (as amended) is under a duty to pro-actively provide information to the Committee on request (reg.4 of the Local Authorities (Overview and Scrutiny Committees) (England) (Regulations 2012).

C. Call-in of Cabinet decisions

- C.1** This Call-in procedure will be operated in such a way as not to have a concomitant negative effect on the efficiency of Cabinet decision-making.
- This Call-in procedure will only apply to Cabinet decisions/actions, subject to the restrictions/limitations detailed in sections C.8, C.9, C.11, C.13, C15 and C.16 of this Protocol.
- C.2** (a) Call-in will be by five Members of the Committee (involving representation of at least two political groups), in writing, to Member Services by no later than noon on the day before the Cabinet meeting. Member Services will notify the Cabinet Chairman of the Call-in.

- (b) Once a member of the Committee has signed a Call-in, he/she may not do so again until a period of six months has expired.

C.3

A special meeting of the Committee may be called in accordance with the rules detailed in Standing Order 27 (Special Meetings of the Cabinet, Committees and Boards) and will be held before the next meeting of the Cabinet (Cabinet meetings are scheduled on a four weekly basis), with a view to reporting to the next Cabinet meeting. Where it is not possible for the Committee to report to the next Cabinet meeting, the Committee Chairman will consult with the Cabinet Chairman and agree a date for referring the Call-in back to the Cabinet for consideration/reconsideration.

Referring the Call-in back to the Cabinet will not be delayed by more than 4 weeks from the date of the notice of Call-in.

C.4

Once a Call-in has been effected, the Cabinet may at its discretion, either:

- (a) defer consideration of the proposed decision and/or action (the Deferred Decision) to its next scheduled meeting or where it is not possible for the Committee to report to the next scheduled meeting of the Cabinet, defer consideration until receipt of the Committee's report; or
- (b) take the decision and/or action which decision/action will stand as suspended (the Suspended Decision) until the next scheduled meeting of the Cabinet or where the Call-in is referred to the GAC by the Committee, until referred back to the Cabinet by the GAC for reconsideration.

C.5

Following consideration of the Call-in, the Committee will, on a report (setting out the Committee's concerns, recommendations, conclusions, suggestions and/or comments), either refer the Deferred Decision/Suspended Decision back to the Cabinet for consideration/reconsideration, or request a debate on the Call-in at the next ordinary meeting of the GAC, or if necessary, at an extraordinary meeting of the GAC, but subject to the rules detailed in Standing Order 1.(3) on the convening of extraordinary meetings.

C.6

On receipt of the Committee's report;

- (a) the Cabinet will consider/reconsider the Deferred Decision/ Suspended Decision and the contents of the Committee's report before coming to a final decision. Providing the Deferred Decision/Suspended Decision is not contrary to the budget or policy framework, the Cabinet may or may not amend the Deferred Decision/Suspended Decision before reaching a final decision and implementing it; or
- (b) the GAC will consider the Call-in and may object to the Deferred Decision/Suspended Decision in which case the Deferred Decision/Suspended Decision will be referred back to the Cabinet (with the GAC's views) for consideration/reconsideration. Unless the Deferred Decision/Suspended Decision is contrary to the budget or policy framework, the Cabinet may choose whether to amend the Deferred Decision/Suspended Decision or not before reaching a final decision and implementing it.

NB: The GAC has no locus to make a decision in respect of a Cabinet decision unless the Cabinet decision is contrary to or not wholly consistent with the budget or policy framework agreed/adopted by the Council.

C.7

Following the Cabinet's consideration of a Deferred Decision or reconsideration of a Suspended Decision, the decisions(s) will take effect i.e.

be implemented immediately. In addition, a Suspended Decision will become effective:

- (a) on the date of the GAC meeting where the Call-in has been referred to the GAC and the GAC does not object to the Suspended Decision and/or does not refer the Suspended Decision back to the Cabinet.
- (b) on the date of the Committee meeting, where the Committee does not refer the Suspended Decision back to the Cabinet or to the GAC.

C.8 A Call-in (i.e. the decision itself) cannot be the subject of further scrutiny after implementation, pursuant to the draw down mechanism detailed in section A of this Protocol.

NB: This restriction does not preclude a subsequent draw-down of the subject matter of the decision for purposes related for example, to topic scrutiny or reporting on matters of local concern.

C.9 This Call-in procedure will not apply to urgent Cabinet decisions and/or action to be taken by the Cabinet which need to be implemented urgently. The definition of 'urgency' means any matter of immediate urgency (i.e. where any delay likely to be caused by the Call-in would prejudice the Council's or the public's interest), making the prompt exercise of the powers of the Cabinet, in consultation with the Managing Director and the Monitoring Officer/Chief Finance Officer desirable and/or necessary and which cannot await the next meeting of the Cabinet, or the next ordinary meeting of the GAC.

NB: The definition of 'urgency' as detailed above, excludes urgent key decisions under Standing Order 54(8) (Special Urgency) and urgent departure decisions under Standing Order 55(3) (Decisions outside the Budget or Policy Framework).

C.10 Cabinet decisions and/or actions to be taken which are not subject to Call-in will take effect, i.e. be implemented immediately.

C.11 Subject to the draw down rules in section A.2 of this Protocol, the Committee may only Call-in two decisions per three-month period.

C.12 Key decisions of Officers, area committees/joint arrangements (referred to in the Cabinet's Forward Plan) may be subject to individual Call-in in accordance with the procedure detailed in this Protocol.

C.13 Call-in will not apply to urgent departure decisions (refer to Standing Order 55(3)) and urgent key decisions (refer to Standing Order 54(8)).

C.14 The rules detailed in sections B and D of this Protocol will apply to an individual Call-in.

C.15 A CCfA does not provide an additional opportunity for a Cabinet decision to be challenged. A previous Call-in will only be relevant, if the circumstances of the Call-in and the CCfA are clearly different.

C.16 The operation of this Call-in procedure will be monitored annually by the Monitoring Officer and if necessary, a report submitted to the GAC with proposals for review.

E.4

Referral of a genuine, significant and persistent local community concern by the local ward Member as a CCfA for scrutiny is a measure of last resort, once other approaches for informal resolution have been exhausted. Local ward Members are advised to seek advice from the relevant Director before agreeing to champion a CCfA.

E.5

- E.7** Subject to the draw down rules at section A.2 of this Protocol, the referral of a CCfA to the Committee will be limited to one CCfA per meeting.
- E.8** The referral of a CCfA to the Committee by a local ward Member will be on written notification to Member Services, by no later than noon on the 16th day before a Committee meeting, i.e. 16 clear days' (sixteen weekdays i.e. 16 periods of 24 hours running from midnight to midnight excluding bank and public holidays and the day on which the meeting is held).
- E.9** The rules relating to provision of information and request for participant attendance, at sections B and D of this Protocol will apply.
- E.10** The acceptance of a CCfA will be at the discretion of the Committee. In considering whether or not to accept a CCfA, the Committee may have regard to any representations made by the local ward Member as to why it would be appropriate for the Committee to accept the CCfA.
- E.11** If the Committee decides not to accept the CCfA, Member Services will within 5 days' of the meeting, formally notify the ward Member of the Committee's decision and the reasons for it. The Committee's decision is final. There is no right of appeal.
- E.12** The local ward Member may address the Committee (but not vote) on the matter raised.
- E.13** Following consideration of a CCfA, the Committee may report or recommend accordingly to the GAC and/or the Cabinet, the Responsible Person, Kent County Council etc. The rules detailed in sections H and M of this Protocol, will apply.
- E.14** The Committee may submit a copy of its report or recommendations to the local ward Member or await the GAC's/Cabinet's and/or other relevant body's response before doing so.

F. Committee member business Subject to the rules on draw down detailed in section A.2 of this Protocol, any Committee or (sub-committee) member has the legal right [Section 21A(1) Local Government Act 2000] to place any matter relevant to the Committee's functions on the agenda. This right will be exercised by giving written notice to Member Services by no later than noon on the 16th day before a Committee meeting i.e. 16 clear days' (sixteen weekdays i.e. 16 periods of 24 hours running from midnight to midnight excluding bank and public holidays and the day on which the meeting is held).

The rules relating to provision of information and request for participant attendance, at sections B and D of this Protocol, will apply.

The same principles shall be applied to Cabinet and the GAC.
