

Dartford Joint Transportation Board

22 September 2020

	Action	Current Situation	Update / Outcome	Responsible Officer	Due Date
1	Fast Track – Future Developments	A twice yearly update to be made to the Board.	KCC Officers may wish to update Members verbally at the meeting.	Shane Hymers	September 2020
2	Parking Issues Ingress Park		Yellow lines are to be installed by Crest Nicholson however the issue of enforcement and the necessary TRO are still to be resolved	Principal Transport Planner	
3	Misuse of Busways by Motorists	A detailed report on this is to be reported to Cabinet, due to financial aspects of proposals	A report was submitted to March meeting	Shane Hymers	Late 2020
4	Traffic Congestion arising from the Dartford Crossing	Thomas Whittingham of Highways England has undertaken to present further details on this for consideration	This is still an ongoing issue and Highways England have been invited to further meeting to report on issues		Late 2020
5	Increased Pavement Provision for A225 Dartford Road at Sutton at Hone and Hawley	The implementation of the scheme has been halted as more pressing issues have emerged that have greater priority.	The Board considered a request for better footway provision, and were advised that a costed proposal from the relevant KCC Member would be considered favourably by KCC.		
6	Future of Bus Routes 429/492	Due to the scale of responses received the decision on the routes future has been	JTB / DBC has submitted comments on proposals to curtail these routes and a	Vice - Chairman
